

Sec. 22-381. - Adoption of the International Existing Building Code.

The 2012 International Existing Building Code, copyrighted by the International Code Council, Inc., attached hereto and incorporated herein for all purposes, is hereby adopted as the existing building code, prescribing regulations applicable to residential and non-residential buildings and existing premises in the city, except in the downtown historical district where the currently adopted zoning ordinance and amendments may take precedence over the 2012 International Existing Building Code. The 2012 International Existing Building Code is made a part of this article as if fully set forth herein. One copy of the 2012 International Existing Building Code is on file in the office of the city secretary being marked and designated as the 2012 International Existing Building Code.
